Why NP DreamBuilder LLC?

We put ourselves in a funder's shoes on a daily basis. We have a pretty good handle on what donors want. If we don't know, we ask!

We connect you with the resources you need most. We take on the cost of high-level resources for nonprofits. Many times, these resources can be cost prohibitive for smaller nonprofits. NP DreamBuilder LLC works to ensure that nonprofits are able to access the same resources as larger nonprofits without the added cost.

We focus on solutions. It's always an exciting day when we get to brainstorm to help you grow!
